In re Application of :  
Charles A. Conrad :  
Serial No.: 09/169,793 : PETITION DECISION  
Filed: October 9, 1998 :  
Attorney Docket No.: INGA,004 :

This is in response to the petition under 37 CFR 1.181, filed July 11, 2005, requesting withdrawal of abandonment based on timely filing of a reply.

A review of the file history shows that the examiner mailed a Final Office action to applicant on March 8, 2002, setting a three month shortened statutory period for reply. Upon failure to receive a reply the application was held abandoned by Notice of Abandonment mailed October 1, 2003. Applicant states that a reply was submitted on June 7, 2002, which included RCE papers, a response to the Office action and all appropriate fees, and provide copies thereof with a properly executed Certificate of Mailing dated August 22, 2002. Applicant states that the Notice of Abandonment was never received, but also states that a Change of Correspondence Address was to have been submitted in May, 2002, implying that such was never submitted. (The Change submitted with the petition will be entered.) No record of any Change of Address can be found in the file. Thus the Notice of Abandonment was mailed to the correspondence address of record. It is noted also that applicant delayed over 15 months from the date of mailing of the Notice of Abandonment to the initial filing of this petition (apparently filed in December, 2004, but never received by the Office). In view of the delay a Terminal Disclaimer is required in order for this petition to be granted which disclaims the terminal portion of the patent term equivalent to the delay in filing a grantable petition. (The term will be determined by the Office upon submission of the disclaimer.)

The petition is **DISMISSED** pending filing of a renewed petition accompanied by a terminal disclaimer and fee. Any renewed petition must be filed within TWO MONTHS in order to be considered timely.
